"TIP TOP" ROAD TO COST \$1,863,600

Will Intersect Breckinridge County At Fordsville And Falls Of Rough.

Frankfort, Ky., Aug. 21.—State Road Commissioner Rodman Wiley today sent to the fiscal courts of Daviess, Ohio, Breckinridge, Grayson and Hardin counties revised plans and estimates of cost for the proposed "Tip Top" Federal-aid highway from Owensboro to Tip Top.

The highway will cost approximately \$1,863,600, according to the road department's engineers, and this amount is apportioned among the five interested counties so that they will be required to raise the following amounts:

Daviess	\$ 36,400
Ohio	104,800
Breckinridge	61,200
Grayson	262,720
Hardin	238,800
	\$703,920

Road Commissioner Wiley calls attention to the fact that the road will not be designated until each of the five counties have raised their quotas and they are given until October 1, to do so.

The estimate and description of the various units of the road in Daviess, Ohio and Breckinridge counties are as follows:

Daviess County.

From the town of Whitesville to the Ohio-Daviess line, 3.8 miles. Estimated cost, \$72,800. County part, 50 per cent, equals \$36,400. (Note) The road from Owensboro to Whitesville, while new is not as wide as is required, but that road will be accepted in its present conditions, however if the county authorities so desire the road can be widened to a standard width and the Government will participate in such cost.

Ohio County.

From the Daviess-Ohio line to the Ohio-Breckinridge line by way of Fordsville, twelve miles. Estimated cost \$262,000. County's part 40 per cent equals \$104,800.

Breckinridge County.

From the Ohio-Breckinridge line to the Falls of Rough, eight miles. Estimated cost \$153,000. County's part, 40 per cent, equals \$61,200.

CLOVERPORTERS WILL GET GLIMPSE OF NC-4.

The NC-4, the American sea plane which was the first to cross the Atlantic, will be on the Ohio River sometime next month, probably during the State Fair week. However the definite date will be announced later.

The NC-4 will be accompanied by the destroyer Isabel, and will make the trip from St. Louis to Louisville, following the Ohio. Arrangements have been made for it to stop in Owensboro for a short time.

The people of Cloverport will at least get a fleeting glimpse of it as it makes its trip to Louisville.

STATE S. S. CONVENTION CLOSED AT ASHLAND.

Miss Nannie Lee Frayser Elected Delegate To World's S. S. Convention In Tokio.

The State Sunday-School Convention, which was held last week in Ashland, Ky., closed on Friday after the election of officers, and deciding upon Louisville for the next meeting place.

Miss Nannie Lee Frayser, of Louisville, was elected delegate to represent the World Sunday-school Convention in 1920 at Tokio, Japan.

These are the new officers elected: President M. T. McEldowny, Winchester; vice president, Lee Burk, Owensboro; treasurer, Clarence Watkins, Louisville; Executive Committee, A. C. Hunter, Versailles; the Rev. C. F. Krater, the Rev. Henry H. Sweete; Thomas P. Gordon; M. S. Barket; Huston Quin, all of Louisville; and George B. Minary, of Versailles; J. W. Henderson, Ashland; W. P. Hall, Louisville; George C. Lowry, Hopkinsville.

Let's Pass Ohio.

Recent reports of the Treasury Department show that Ohio still leads in per capita purchase of War Savings Stamps. Ohio took the lead when the Stamps first were put on the market and has retained it. Montana has the largest per capita sales among states of the ninth federal reserve district.

COUNTY AGENT'S RESIGNATION

Takes Place Sept. 1. Has Two Offers For Other Positions. Mr. Loy Takes His Place.

Breckinridge County's Farm Agent, Joseph W. Harth, has resigned his place and his resignation takes effect September 1. Mr. Harth, whose home is in Hardinsburg, has been offered two other positions, one of them being with B. F. Every & Co., of Louisville.

Mr. Harth is the first man to serve in the capacity of a County Farm Agent in Breckinridge county and no doubt in his two years of service he has had many difficult propositions. Altho, through his perseverance and hard work, he has developed in certain parts of the county, much more of the get-together spirit among the farmers and has put the standards of farming and stock raising on a higher plane, and too he has created interest among a larger number of county boys by having the pig clubs.

Probably Mr. Harth's greatest hinderance has been bad roads and the difficulty of getting from one part of the county to the other. However he has laid a splendid foundation for his successor, Mr. Loy, an ex-soldier from overseas.

The Board of Agriculture met on Monday and accepted Mr. Harth's resignation with much protest, and elected Mr. Loy to succeed him.

NOTICE GIVEN TO ROAD OVERSEERS

Male Citizens Between Ages of 18 And 50 Years To Be Notified Beforehand of Road Work.

It is the duty of all Road Overseers to notify in person or in writing all male citizens between the ages of 18 and 50 years, except ministers of the gospel, at least two days prior to the day set for working the Public Roads; that on a certain day that particular road will be worked. They shall work two days each week until their time is put on the road as required by law—not to exceed, however, six days in all. (The fiscal court of this county, however only requires four days in each year.) In case of emergency—more time will be required. A days work on the road is eight hours.

Over-seers must report to the county Judge any failure or refusal to work the road. The over-seers must require good work to be done. After the road hands have been properly warned to appear and work said roads by the over-seer, failure to work as warned, said person is subject to a fine of \$2.50 for each day and the court costs.

Any failure on the part of the over-seer to discharge his duty as required by law, subjects himself to a fine of not less than \$25.00 or more than \$50.00 and court costs.

This road law must be enforced and positively will be done by law, not as a matter of choice, but as a matter of duty and right.

I am here to cooperate with you and the county officials in the road work and I am willing at all times to give any assistance I can. I am out in the various Magisterial Districts in the county every day and should you call at my office and fail to find me there—just come back—I will be there some time, I spend practically all of my time on the roads.

John Bloomer,
County Road Engineer.

ACCIDENT MAY LEAVE HIM BLIND

Sammy Hendrickson Returns From War Zone And Meets With Severe Accident.

Sammy Hendrickson, twenty-three year old son of Mr. and Mrs. O. W. Hendrickson, of Hardinsburg, Route 2, returned unscathed from several months service in the war zones of France, to meet with a severe accident, which may result in the loss of both eyes, while working in Cincinnati. Hendrickson met with the accident two weeks ago while he was employed as an electrician for a Cincinnati firm, and was assisting in wiring an office building in that city. It is stated that as he entered the elevator to go to another floor, he didn't quite get inside the elevator elevator to go to another floor started and he fell, catching his head between the floor and elevator shaft. For a time it was believed the accident would be fatal, but the young man was removed to the City Hospital where he is slowly recovering altho little hopes is held for saving his eyesight.

The accident happened on Hendrickson's first day at work, which was Friday, August 8. He had only been in Cincinnati a few days and had gone there from home after visiting with his parents on his return from overseas. He served with the Electrical Engineering Corps in France and liked his work so much he could hardly wait to get to Cincinnati to start in again.

Mr. O. W. Hendrickson has returned from a visit to his son, and as soon as young Hendrickson is able he will be brought home.

TWO CLOVERPORT MEN BID FOR WEBB FARM.

The Webb Farm was rented to Wm. Lambert at the court house door on Monday, for \$2,125. Mr. Lambert has been on the place for the past four years and has paid each year \$1,500 rent for the farm. It is said that S. Rosenblatt is really the man that rented the farm and that Mr. Lambert was bidding for him, and that there has been an agreement between Mr. Lambert and Mr. Rosenblatt whereby Mr. Lambert becomes the manager and foreman on the farm. As soon as it became known that Mr. Lambert was not bidding on the place for himself alone some of his neighbors got into the fight and run the place from \$1,500 to \$2,125. It seems that a partnership had been formed between E. J. Snyder and W. C. Robinson, whereby the place was divided by agreement each paying a portion of the rent. They run the place to \$2,100. W. J. West and a Mr. Beavin, of near Cloverport, were bidders on the place until it reached nearly the \$2,000 mark. Joe LeMastus was a bidder, but quit early in the game or about the time that it went over \$1,875.

Big Type Poland Chinas The Farmer's Hog.

I raised the pig that won first in the Pig Club last year. I have them good enough to win again this year, if properly fitted, and they are priced worth the money too. These are the kind of pigs that go out and make good and please their owners.

In a few weeks I will be weaning some of the best pigs that I have ever raised. See them before you buy elsewhere. Here you get the pig you buy; no drawing for choice, no lottery. I sell hogs and satisfaction.

The sows of my herd come from three of the best hog-producing states of the Union. I have never let money stand between me and the hog I wanted to improve my herd.

I also have two males large enough for service from a litter of ten, choice individuals, for sale now.

The pork barrel is the end of the hog. I have the kind that fill it.

The sow pigs are all sold. Choice mail pigs for sale at weaning time.
